Description

Paragon Pioneers is a city-building idle game in which you discover, conquer and build on islands for more resources to fulfill the needs of your inhabitants. Even with not much time to play you can enjoy this deep simulation game and follow one of the countless ways to optimize your empire. Build an impressive palace and go down in Paragon's history as a successful leader.

BUILD YOUR EMPIRE STONE BY STONE: Construct over 100 different buildings to meet all the needs of your inhabitants.

PRODUCE more than 70 goods with complex production chains.

DISCOVER more islands for your ever growing empire: build a big fleet, send them over the sea and widen your realm step by step.

CONQUER newly discovered islands from the orcs with an intuitive and many-faceted combat system.

RELAX as your empire stays active even while you are not playing.

IMMERSE in a stylized and cute medieval/fantasy setting while not being bothered by ads, in-app purchases or being online.

SHAPE every island in the game with a unique island generator for your needs.

ENJOY this game again and again with selecting a special custodian at the end. Offering powerful skills for your following empires.
